

THE 5TH BIKE CHALLENGE FOR ADAM

Exercise with us to help children with disabilities.

27. 7. – 4. 8. 2024

WHERE Anywhere and everywhere around the world.

HOW Ride a bike or a scooter, rollerblade, run, walk, swim, move in a wheelchair.

WHY The aim of our challenge is nine days of exercising to raise funds from our partners for every kilometre of movement. These finances will then be used to acquire specialised children's bikes.

Aside from pledging kilometres, anyone can also contribute to the fundraiser with their own direct donation.

Over the past four years of Bike Challenges for ADAM you have already helped to procure bikes for **65 children.**

Together we make dreams come true.
